WELCOME Back!

A warm welcome to all of Alazhar School students -our old students and new students joining us this year - to this new academic year. We hope that you all enjoyed your summer holiday and ready to begin this year with enthusiasm and high spirits. We wish you a year filled with learning, accomplishment and success.

School Start date

School will begin on Sunday the 13th of September inshallah. Nower Hill High School Management informed us that they won't be able to hire out their facilities in September but they promised that we will be able to hire out their facilities in January or hopefully sooner Inshallah. Based on that ,first school term will be taught online. We know that some parents prefer classroom based lessons, but we assure you that our online lessons are as good as our classroom based ones . All of us, teachers, parents and students are now familiar with our online learning process as teachers have already been teaching online during school closures. All of our teachers are doing their best to make online learning as fun and engaging as possible.

A note to Parents whose children have been students at Alazhar school previously:

Please confirm your child/children's place at Alazhar School by sending us a message or emailing us at info@alazharschool.co.uk

School Fees

Please visit the school website at <http://alazharschool.co.uk/admissions> to find out the fees for 2020/2021.

***Please note that if you make your payment before the 7th of September you get £25 discount on your first installment.**

School Books

We will provide each year group with the list of books needed for this year and how to purchase them on each level's Whatsapp group. Unfortunately, we won't be able to provide the books at the beginning of the school year because we will be working online. We might be able to provide some books in PDF format but not all of them. If you have any problem purchasing the books, please contact the school and we will help you obtain them.
